

Application for Membership

The Watford Area Humanist Group

Watford Area Humanists (WAH) support the following Aims and Objectives:-

- A) To promote an understanding of Humanism in the Watford and South West Hertfordshire area through partnership with the local community and other agencies;
- B) To develop a programme that addresses the secular/non-religious needs of children, young people, families and people who live or work in the Watford and South West Hertfordshire area;
- C) To provide membership of a group for social, education and cultural purposes;
- D) To provide a base for the development of Humanist freethinking philosophy.

The Watford Area Humanist Group is affiliated to Humanists UK and supports Humanists UK campaigns for:-

- Freedom of belief and respect for the rights of the non-religious;
- An end to discrimination on the grounds of religion or belief, whether in marriage law, the work place, or the provision of public services;
- An end to religious privilege;
- Inclusive schools, where children with parents of all faiths - and none - learn to understand and respect each other, instead of being segregated in the growing number of faith and sectarian schools;
- Impartial, fair and balanced education about religion/beliefs, with emphasis on shared human values;
- School assemblies without religious worship

**I apply for Membership of The Watford Area Humanist Group,
subject to the aims and objectives above.**
